

A NATIONWIDE MAGICAL CHARACTER
BUILDING PROGRAM

"Be BIGGER than a bully" is a daytime magic show convocation for elementary schools.

Professional Comedy Magician, Daniel Lusk, has a passion to end bullying in schools. According to the National Poll on Children's Health, bullying is the top health concern among parents. Many programs carry a good message but lack the ability to keep the students interest. Others are fun to watch but the message is lost in entertainment. Daniel's passion combined with years of professional experience, has helped him to successfully develop a program that will retain the interest of your students and convey a powerful message.

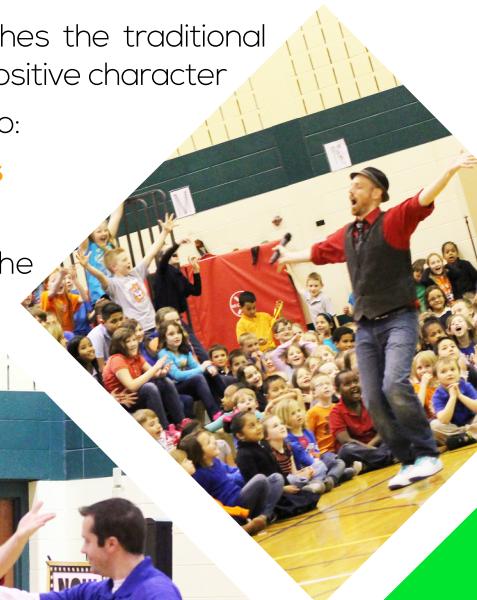

ABOUT THE PROGRAM

In Daniel's 45 minute program "be BIGGER than a bully" he not only teaches the traditional methods to curbing bullying but takes it a step further by teaching students positive character traits to be successful at school and in life. The program will teach students to:

- Be Respectful
- Be A Friend
- Be A Builder With Words
- Be Caring To Others
- Be Yourself
- Be Your Personal Best

Not only does this program speak to the bully and the victim, but also to the silent majority. This is the largest portion of the student body. Students will learn that EVERYONE has a role in helping to end bullying.

Classroom follow-up materials are provided in PDF format at NO ADDITIONAL CHARGE. This includes student activity sheets and a teachers guide to facilitate classroom discussion about the program and bullying.
